The Rightful Heir (Love Inspired Historical) Angel Moore

An Unexpected Partnership

Arriving in Texas, cowboy Jared Ivy discovers the grandfather he hardly remembers has passed away...and an unknown woman has claimed ownership of his family's newspaper. Jared has the will that proves *he's* the owner—but the sheriff refuses to enforce it. Instead, Jared must work with Mary Lou Ellison until a judge comes to town and rules in favor of the rightful heir.

Intrepid reporter Mary Lou has already lost her father figure. And she won't lose the *Pine Haven Record*—the legacy he left her—without a fight. But when she and Jared stop sparring long enough to investigate a story together, they become a force to be reckoned with. Will they let their battle over the *Record* get in the way of something even more newsworthy: true love?

Kent Ibarra:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
