“[The] sections on airbrush tattoos, henna patterns, and nail decorations are likely to have a real teen appeal. Striking color photos.”—*School Library Journal*

Forget the paper and posterboard—use your own body as the backdrop for colorful creations. Paint your face like a lion and roar with delight. Stencil a daisy on your arm for summer fun. With Mom or Dad’s help, any youngster can turn into a pirate, princess, or calico cat. Older kids can adorn a shoulder with a galloping zebra or tickle some toenails with a tropical scene. All the techniques from face painting to henna tattooing are described in detail and accompanied by color photos illustrating the before, during, and after of the process.
