John Wesley: His Life and Thought

Timothy J. Crutcher

John Wesley: His Life and Thought Timothy J. Crutcher

What people think affects what they do, and what people do affects what they think. There is no better illustration of this adage than John Wesley, the pivotal founder of Methodism. For Wesley, thinking and living went hand in hand. *John Wesley: His Life and Thought* introduces readers to both Wesley's story and his beliefs. By neither leaning too much on biography nor focusing solely on theology, this book offers a balanced and accessible portrait that couches Wesley's beliefs and ideas firmly within his life story. There are no minutiae or scholarly controversies here. This book paints in broad strokes the key events in Wesley's life that not only influence his thinking but also his approach to the church, the Methodist movement, and the society and world beyond. For anyone wanting a sound but lucid introduction to Wesley and his life and work, this book should be at the top of the list. It doesn't just familiarize the reader with Wesley but paves the way for deeper study.

From reader reviews:

Sherry Spears:

Typically the book John Wesley: His Life and Thought will bring someone to the new experience of reading a book. The author style to spell out the idea is very unique. When you try to find new book you just read, this book very suitable to you. The book John Wesley: His Life and Thought is much recommended to you to learn. You can also get the e-book in the official web site, so you can more readily to read the book.

Virginia Dunn:

Reading can called thoughts hangout, why? Because when you are reading a book specially book entitled John Wesley: His Life and Thought your thoughts will drift away trough every dimension, wandering in every single aspect that maybe unfamiliar for but surely might be your mind friends. Imaging each and every word written in a reserve then become one contact form conclusion and explanation this maybe you never get prior to. The John Wesley: His Life and Thought giving you yet another experience more than blown away your thoughts but also giving you useful data for your better life within this era. So now let us teach you the relaxing pattern here is your body and mind will probably be pleased when you are finished reading it, like winning a sport. Do you want to try this extraordinary paying spare time activity?

Amado Spieker:

Is it a person who having spare time after that spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This John Wesley: His Life and Thought can be the reply, oh how comes? The new book you know. You are consequently out of date, spending your extra time by reading in this new era is common not a geek activity. So what these textbooks have than the others?

Kevin Caputo:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this John Wesley: His Life and Thought can make you experience more interested to read.
