Aspiring guitarist Kinley Black is about to get her first big break—as a roadie for Viciöus, her favorite heavy metal band, and for the rock god she always dreamt might make her a woman. **THE ROADIE** At 15, aspiring guitarist Kinley Black wished she were a boy. At 16, after hearing Quinn Mayne sing, she wanted him to make her a woman. Now, at 22, her dreams have come true. Quinn’s band Viciöus needs someone to lug their amps around the country, to strive and sweat with the guys. She just has to act like one of them. **AND THE ROCK GOD** Quinn had to admit the new chick could pull her weight, but that didn’t mean his road manager made the right choice. Taking a hottie on a heavy metal music tour was like dangling meat in front of a pack of feral hounds—and Quinn could be part dog himself. But more surprising than her beautiful body are Kinley’s sweet licks, so that no man could help but demand a jam session. Quinn will soon do anything to possess her, and to put Kinley in the spotlight where she belongs. And to keep her safe and sound from the wolves.
