The first-edition MCSE TestPreps were a unique approach to certification study tools and a series winner, but our readers have told us how to make them better. They don't need to Study, Practice, Pass -- they want to Practice, Check, Pass.Practice. TestPrep readers don't want to wade through text -- they want to get right to the questions. They need to drill themselves to find the exam material they still don't know. TestPreps cut to the chase by leading off with practice questions.Check. After working through the questions, readers need to check what they've missed. They want answers clearly and quickly, and TestPreps provide in-depth explanations for all questions immediately after the questions.Pass. Readers have spent a lot of time and money on study materials; now they need the one supplement that will help them pass. After readers have worked through MCSE TestPrep: TCP/IP, Second Edition, they will have solved their study needs and will be ready for the exam.
