Beautiful, striking, alluring and temptress are just a few words that describe Fancy. She holds a power with her physical being and witty street charm that allow her to manipulate and use men for exactly what she likes. It works out in her favor until she plays the wrong men from the wrong circle. The common saying of six degrees of separation sometimes can simply just be three.

Major is a young dope boy who falls short of temptation and let's Fancy's magical allure ruin everything he has worked so hard to build. Trying to stay loyal to his woman, himself, his boys and Fancy becomes too much for him to bear.

Duckett is an older street genius that has put his work in and has earned a reputation of honor in the drug trade. It gets tarnished when he gets caught up with Fancy and her lies.

Its a small world and if you're not careful you can end up having a connection with the devil in disguise and these two men are going to find out the hard way.
