Civil Procedure (Aspen Casebook) Stephen C. Yeazell, Joanna C. Schwartz

Civil Procedure is written by one of the leading voices on Procedure, Stephen Yeazell, who for this Ninth Edition is joined by his colleague Joanna Schwartz. Yeazell and Schwartz employ a pedagogical style that offers flexible organization at a manageable length.

The book gives students a working knowledge of the procedural system and introduces the techniques of statutory analysis. The cases selected are factually interesting and do not involve substantive matters beyond the experience of first-year students. The problems following the cases present real-life issues. Finally, the book incorporates a number of dissenting opinions to dispel the notion that most procedural disputes present clear-cut issues.
