Who's Up for Some Bonding? A FoxTrot Collection Bill Amend

As always, the more of Bill Amend's work you can get in one place, the merrier. And there's plenty to be merry about here. *FoxTrot* remains one of the best family strips around, filled with character comedy that becomes funnier the more time you spend with it." -Infodad.com: Family-focused reviews of books, software, music, and more.

Bill Amend does it better than anybody else. His ability to present middle-class family life in a way that's consistently fresh, irreverent, and downright wacky is unsurpassed.

In *Who's Up for Some Bonding?*, Amend's antics with the Fox family include the artist's invitingly skewed views of "normal" life: children who are light-years ahead of their parents when it comes to computers, siblings who could teach the CIA a thing or two about covert and "get-even" ops, and parents who stumble around in a slight daze as they deal with all the "amenities" of the modern world.

Jason, Peter, Paige, and their parents, Roger and Andy, deliver the laughs. They all bring their unique personalities and perspectives to the *FoxTrot* world, whether the subject is technology, tofu recipes . . . or a son convinced he could be the next zillionaire Martha Stewart. *FoxTrot* surprises. *FoxTrot* charms. *FoxTrot* always satisfies.
