Dark Mirrors: Azazel and Satanael in Early Jewish Demonology Andrei A Orlov

Dark Mirrors is a wide-ranging study of two central figures in early Jewish demonology the fallen angels Azazel and Satanael. Andrei A. Orlov explores the mediating role of these paradigmatic celestial rebels in the development of Jewish demonological traditions from Second Temple apocalypticism to later Jewish mysticism, such as that of the Hekhalot and *Shi'ur Qomah* materials. Throughout, Orlov makes use of Jewish pseudepigraphical materials in Slavonic that are not widely known.

Orlov traces the origins of Azazel and Satanael to different and competing mythologies of evil, one to the Fall in the Garden of Eden, the other to the revolt of angels in the antediluvian period. Although Azazel and Satanael are initially representatives of rival etiologies of corruption, in later Jewish and Christian demonological lore each is able to enter the other's stories in new conceptual capacities. *Dark Mirrors* also examines the symmetrical patterns of early Jewish demonology that are often manifested in these fallen angels' imitation of the attributes of various heavenly beings, including principal angels and even God himself."
