#### **Randy Champion:**

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Experiments Physical Geology can make you experience more interested to read.
