Tom Davis is a relatively young police chief in the small Northern California community of Destiny. The town is on the south side of Lake Destiny, which is nestled in the shadows of the Sierra Nevada Mountains to the east and about forty-five miles north of Santa Rosa. After eighteen years on the police department and the unfortunate loss of his wife three years earlier to cancer, he is looking for a change.

The change comes when the very attractive Molly Hanson, a campaign coordinator, comes through Destiny, preparing the way for a visit by her boss, senatorial candidate Harry Jenkins. Even though Tom and Molly come from completely different backgrounds and lifestyles, the attraction between the two is immediate, intoxicating, and nothing less than amazing.

Their story unfolds when Tom meets Molly's boss. To Tom's shock, Harry Jenkins shares an amazing commonality with his father, who died when Tom was in high school. Bewildered by the fact his dad isn't a twin nor do their ages match, Tom is determined to find a logical explanation why none of the facts make any sense and will try to do it without revealing anything to the woman he is falling in love with.

Experience the development Tom and Molly's relationship that takes you on an adventure that will definitely stretch your imagination and is full of surprises, unlike any other you have ever experienced before. You may even reach for the stars for the answer to the mysteries of Lake Destiny. Get ready to be kept on the edge of your seat as solving each clue only leads Tom Davis, Molly Hanson, and Lake Destiny to more intrigue straight from the imagination of the author.
