*For the first 5,000 copies of **The Blue Sweater** purchased, a \$15 donation per book will be made to Acumen Fund, a nonprofit that invests in transformative businesses to solve the problems of poverty.*

The Blue Sweater is the inspiring story of a woman who left a career in international banking to spend her life on a quest to understand global poverty and find powerful new ways of tackling it. It all started back home in Virginia, with the blue sweater, a gift that quickly became her prized possession?until the day she outgrew it and gave it away to Goodwill. Eleven years later in Africa, she spotted a young boy wearing that very sweater, with her name still on the tag inside. That the sweater had made its trek all the way to Rwanda was ample evidence, she thought, of how we are all connected, how our actions?and inaction?touch people every day across the globe, people we may never know or meet.

From her first stumbling efforts as a young idealist venturing forth in Africa to the creation of the trailblazing organization she runs today, Novogratz tells gripping stories with unforgettable characters?women dancing in a Nairobi slum, unwed mothers starting a bakery, courageous survivors of the Rwandan genocide, entrepreneurs building services for the poor against impossible odds.

She shows, in ways both hilarious and heartbreaking, how traditional charity often fails, but how a new form of philanthropic investing called "patient capital" can help make people self-sufficient and can change millions of lives. More than just an autobiography or a how-to guide to addressing poverty, *The Blue Sweater* is a call to action that challenges us to grant dignity to the poor and to rethink our engagement with the world.

From reader reviews:

David Lalonde:

Reading a guide tends to be new life style in this particular era globalization. With reading you can get a lot of information that can give you benefit in your life. With book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their talent in writing, they also doing some research before they write on their book. One of them is this The Blue Sweater: Bridging the Gap Between Rich and Poor in an Interconnected World.

Gregory Mackenzie:

Playing with family in the park, coming to see the coastal world or hanging out with good friends is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Blue Sweater: Bridging the Gap Between Rich and Poor in an Interconnected World, you are able to enjoy both. It is great combination right, you still wish to miss it? What kind of hang-out type is it? Oh seriously its mind hangout folks. What? Still don't buy it, oh come on its referred to as reading friends.

Michael Ramsey:

In this era globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon.
