Who are the Ultra Fabulous Glitter Squadron? If you need to ask then you have not been anywhere near a television, computer, or disco recently. No other superheroes are as dedicated or dazzling as these gals. Some of them tuck, some of them are pure trout, but they kick ass in high heels and rollerskates. A.C. Wise's debut collection of heroic tales is half whimsy and half 1950s pulp reborn for the 21st century.
