## **Late Nights** Marie Rochelle

Can you work late tonight? Sterling Hamilton never broke the unspoken rule of the boss and employee with any of his other workers until Sasha Williams. The breathtaking beauty pushed him to a level he hadn't experienced before. He had to prove to her that he could be more than her reliable boss and would do anything to make her see the real him. She was in love with her boss... Why couldn't she have fallen in love with someone else besides Sterling Hamilton? Every time, Sasha Williams laid eyes on her handsome employer. She wanted to be with him, but it wasn't possible because she could lose her job. So, instead of coming clean she kept her true feelings to herself. Could working late one night finally be the motivation to get them together or would Sterling and Sasha still fight what is truly meant to be?
