## **Regrets** Lore

The Ahmed family is a poor, but humbled family living in a small village in Bangladesh. In a desperate attempt to provide for his family, Nur, the head of the household, makes a deal with the devil himself, Vahin Thakur. This deal changes the course of his family's life forever. Although the deal was in Vahin's favor, Nur agrees, but finds himself in debt to Vahin. He's done the unthinkable and has placed his daughter, Rima, up as collateral. As a graduating senior, all Rima wanted to do was hang out with her friends, chose a college to attend, and just be a kid. Instead, she has to plan her wedding to a boy she loathes, Jagan Thakur. Shortly after she weds, Rima escapes the Thakur's household to her freedom. She finds herself on a plane to America because she's been offered modeling contracts and television appearance opportunities. Rima's life is looking up until she encounters Kelvin and Donta. She learns valuable life lessons about trusting men who claim to love her. Donta, a DMV drug kingpin, hires Rima's brother Rehan and his father Nur to work for him. Soon, the entire Ahmed family finds themselves in America. Seemingly, all is well until Nur is caught in a compromising position with Donta's mother. The Ahmed family learns the hard way that America isn't as beautiful as it appears to be.

### From reader reviews:

#### **Agnes Higa:**

The book Regrets can give more knowledge and information about everything you want. So just why must we leave a good thing like a book Regrets? A number of you have a different opinion about publication. But one aim that will book can give many data for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or data that you take for that, it is possible to give for each other; you can share all of these. Book Regrets has simple shape however you know: it has great and massive function for you. You can appearance the enormous world by available and read a reserve. So it is very wonderful.

#### **Angela Drew:**

Spent a free time and energy to be fun activity to try and do! A lot of people spent their spare time with their family, or all their friends. Usually they doing activity like watching television, planning to beach, or picnic from the park. They actually doing same every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Could possibly be reading a book can be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to try look for book, may be the book untitled Regrets can be good book to read. May be it could be best activity to you.

#### **Jason Cook:**

Exactly why? Because this Regrets is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret it inside. Reading this book adjacent to it was fantastic author who write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book possess such as help improving your ability and your critical thinking way. So , still want to hold off having that book? If I were being you I will go to the publication store hurriedly.

#### **Bruce Herrera:**

This Regrets is great reserve for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This particular book reveal it info accurately using great plan word or we can state no rambling sentences inside. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with beautiful delivering sentences. Having Regrets in your hand like having the world in your arm, data in it is not ridiculous one. We can say that no publication that offer you world with ten or fifteen small right but this book already do that. So , this can be good reading book. Hello Mr. and Mrs. occupied do you still doubt that?
