Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Steven Dillinger:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country.
