To Touch The Knight Lindsay Townsend

As a pestilence sweeps medieval England, a low-born woman has only the sharpness of her wits-and the courage of her heart. . .

Edith of Warren Hamlet plays a dangerous game. At the knights' tourneys across the land, among the lords and ladies, she is a strange foreign princess. But in the privacy of her tent with the other survivors of her village, she is but a smith's widow with a silver tongue. They are well-fed, but if discovered, the punishment is death. And one knight-fierce, arrogant, and perilously appealing-is becoming far too attentive. . .

Sir Ranulf of Fredenwyke cares little for tourneys: playing for ladies' favors, when his own lady is dead; feasting, while commoners starve; "friendly" combat, when he has seen real war. Still, one lady captivates him-mysterious in her veils and silks, intoxicating with her exotic scents and bold glances. Yet something in her eyes reminds him of home. . .and draws him irresistibly to learn her secrets. . .

"Romantic and compelling. . .the author [has a] strong voice and narrative skills." -Red Roses Reviews (5 Red Roses) on *A Knight's Enchantment*

"A promising new voice!" -Shirlee Busbee

From reader reviews:

Carolyn Hoffman:

Reading a publication can be one of a lot of activity that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people like it. First reading a guide will give you a lot of new info. When you read a guide you will get new information mainly because book is one of numerous ways to share the information or even their idea. Second, looking at a book will make a person more imaginative. When you examining a book especially fictional works book the author will bring one to imagine the story how the personas do it anything. Third, you may share your knowledge to other folks. When you read this To Touch The Knight, you can tells your family, friends along with soon about yours reserve. Your knowledge can inspire average, make them reading a publication.

Mary Perry:

In this time globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of references to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher that print many kinds of book. The book that recommended to your account is To Touch The Knight this guide consist a lot of the information on the condition of this world now. This kind of book was represented how can the world has grown up. The words styles that writer use to explain it is easy to understand. The writer made some exploration when he makes this book. Honestly, that is why this book acceptable all of you.

Bertha Boone:

That reserve can make you to feel relax. This kind of book To Touch The Knight was vibrant and of course has pictures on there. As we know that book To Touch The Knight has many kinds or style. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and believe you are the character on there. So , not at all of book tend to be make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading which.

Mary Linkous:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this To Touch The Knight can make you sense more interested to read.
