Broken Seas: True Tales of Extraordinary Seafaring Adventures Marlin Bree

This collection of seafaring sagas displays how sailors fight their way across vast waters, face unknown dangers, and find the courage to battle forces of nature with amazing fortitude. This collection includes the story of Mike Plant, America's greatest solo sailing racer, as he headed out to sea from New York harbor never to be seen again; the journey of one man on a wooden fishing skiff who faced an early sea ice storm to search desperately for a lost partner; the courageous adventure of Gerry Spiess aboard Yankee Girl, a 10-foot home-built plywood sloop, as he left Long Beach, California, to begin a bold voyage in the smallest craft ever to sail across the Pacific Ocean; and the tragic legend of the men aboard the Edmund Fitzgerald who found themselves in a deadly race against time as a terrible storm deepened. These powerfully retold stories will sweep readers into the world of high seas adventure and desperate survival of outstanding sailors aboard memorable boats.
