Celtic Angels: True Stories of Irish Angel Blessings Theresa Cheung

In this unique book, best-selling angel author Theresa Cheung takes readers on a guided tour of Irish spirituality with the focus firmly on the nation's deep-rooted belief in angels. Punctuated throughout with real-life stories from both Irish people and visitors to the 'Emerald Isle', it will show that although being Irish isn't necessarily a prerequisite for seeing angels, it can certainly act as a catalyst. Many Irish people have grown up with stories of guardian angels and protector saints like St Patrick, so their insights and stories provide the perfect launching point to help others connect with their own angels. Here are stories of miraculous healing from this mysterious and sacred land, which has historical associations with the divine. This book will encourage spiritual seekers of all ages to make a pilgrimage to Ireland or, if that isn't possible, to feed their souls with Celtic spirituality.
