Magic Jeanette Lynton

Readers will become master magicians of memories with the 35 patterns and interactive techniques featured in Magic™. Each pattern, created by industry icon Jeanette Lynton, features ingenious elements that pull, spin, or slide to reveal more photos or journaling. Readers will love creating photo waterfalls, sliding filmstrips, explosion flaps, and more. The patterns are easy to reproduce with the book's step-by-step illustrated instructions, cutting patterns, and blueprints. An enclosed DVD includes additional video instructions and pattern templates.

Jeanette R. Lynton is the founder and CEO of Close To My Heart, a leader in the scrapbooking and stamping industry. Jeanette's pioneering products include a series of instruction programs for scrapbooking layouts and easy-to-make cards. With her artistic eye and "let me show you how®" approach, Jeanette has made scrapbooking faster and easier while continuing to emphasize the art of preserving memories and celebrating relationships. She lives near Salt Lake City.

Create some magic with these interactive scrapbook patterns!

From reader reviews:

Julia Faulkner:

Book is to be different for each and every grade. Book for children until finally adult are different content. As it is known to us that book is very important usually. The book Magic seemed to be making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The publication Magic is not only giving you considerably more new information but also to become your friend when you experience bored. You can spend your current spend time to read your reserve. Try to make relationship together with the book Magic. You never really feel lose out for everything should you read some books.

Jeffrey Primo:

A lot of people always spent all their free time to vacation as well as go to the outside with them family or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read the book. It is really fun for you personally. If you enjoy the book you read you can spent all day every day to reading a e-book. The book Magic it doesn't matter what good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. Should you did not have enough space to create this book you can buy the actual e-book. You can m0ore simply to read this book through your smart phone. The price is not to fund but this book possesses high quality.

Gary Roth:

Do you have something that you enjoy such as book? The guide lovers usually prefer to decide on book like comic, small story and the biggest one is novel. Now, why not striving Magic that give your pleasure preference will be satisfied simply by reading this book. Reading practice all over the world can be said as the opportunity for people to know world better then how they react toward the world. It can't be claimed constantly that reading behavior only for the geeky person but for all of you who wants to always be success person. So , for every you who want to start examining as your good habit, it is possible to pick Magic become your own starter.

Ronald Folk:

Reserve is one of source of understanding. We can add our expertise from it. Not only for students but additionally native or citizen will need book to know the change information of year to be able to year. As we know those books have many advantages. Beside we all add our knowledge, may also bring us to around the world. Through the book Magic we can acquire more advantage. Don't someone to be creative people? To be creative person must love to read a book. Only choose the best book that ideal with your aim. Don't possibly be doubt to change your life with this book Magic. You can more attractive than now.
