Benny is going out. He is tired of hanging around inside. Benny's little brother is going out, too. He's also sick of hanging around inside. "Stay away from the mudhole," says Benny's mama. "Oink, oink," says Benny. Then Benny and his little brother head straight for the mudhole.

Witty, expressive art and a simple text make this a delightful addition to Barbro Lindgren and Olof Landström's award-winning Benny books.
