Season of Ice Diane Les Becquets

Seventeen-year-old Genesis's father ventures out on a lake in Northern Maine for one last catch of the season-and never returns. As the lake freezes over, so, too, do the lives and hopes of her family. Because with no body, and no hope of finding one until the lake thaws, the family is denied access to insurance money. As the long winter drags on, Genesis begins to unravel the truth behind the rumors-of an affair, and possibly worse-and for the first time, questions how well she, or anyone, really knew her dad. Her odyssey will take her into the thick woods along the Canadian border where her father worked at a logging camp . . . and into a romance she isn't sure she wants.

Taut, dark, and compelling, *Season of Ice* perfectly captures the complex, interior life of a young woman bracing for truth, inadvertently finding love, and waiting for answers that only the thaw can bring.

From reader reviews:

Graciela Johnson:

The book Season of Ice make you feel enjoy for your spare time. You need to use to make your capable more increase. Book can for being your best friend when you getting stress or having big problem using your subject. If you can make studying a book Season of Ice to be your habit, you can get much more advantages, like add your own personal capable, increase your knowledge about several or all subjects. You are able to know everything if you like open up and read a publication Season of Ice. Kinds of book are a lot of. It means that, science e-book or encyclopedia or some others. So , how do you think about this e-book?

Lloyd Schuler:

Reading a book can be one of a lot of exercise that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a publication will give you a lot of new information. When you read a publication you will get new information since book is one of several ways to share the information or their idea. Second, reading a book will make you more imaginative. When you reading through a book especially hype book the author will bring one to imagine the story how the characters do it anything. Third, you may share your knowledge to other individuals. When you read this Season of Ice, you may tells your family, friends and soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a publication.

Sheila Whitley:

Spent a free the perfect time to be fun activity to do! A lot of people spent their spare time with their family, or all their friends. Usually they performing activity like watching television, going to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Might be reading a book could be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to test look for book, may be the book untitled Season of Ice can be excellent book to read. May be it can be best activity to you.

Edward Sullivan:

Your reading sixth sense will not betray you, why because this Season of Ice e-book written by well-known writer who knows well how to make book which might be understand by anyone who all read the book. Written throughout good manner for you, dripping every ideas and creating skill only for eliminate your own hunger then you still doubt Season of Ice as good book not just by the cover but also by content. This is one e-book that can break don't assess book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your reading sixth sense already said so why you have to listening to an additional sixth sense.
