Supernatural Horror in Literature By H. P. Lovecraft

Horror in literature attains a new malignity in the work of Matthew Gregory Lewis (1775-1818), whose novel *The Monk* (1796) achieved marvellous popularity and earned him the nickname of "Monk" Lewis. This young author, educated in Germany and saturated with a body of wild Teuton lore unknown to Mrs. Radcliffe, turned to terror in forms more violent than his gentle predecessor had ever dared to think of; and produced as a result a masterpiece of active nightmare whose general Gothic cast is spiced with added stores of ghoulishness.
