The Sixteenth-Century Reformation (Access to History)

Geoffrey Woodward

The Sixteenth-Century Reformation (Access to History) Geoffrey Woodward

This title provides a thematic interpretation of the political, religious, economic, social, and cultural effects of the sixteenth-century Reformation in Europe. The author examines the role of Luther and the other main Protestant movements considering their theological ideas and impact on the continent. The consequences of these reformations are assessed to show how these reforms occurred over a period of time and why some were more successful than others.
