A View From The Divide: Creative Nonfiction on Health and Science Lee Gutkind

In the tradition of Lewis Thomas, Stephen J. Gould, and Oliver Sachs, this special double issue of *Creative Nonfiction*, the only exclusively nonfiction literary journal, demonstrates the many ways in which aspects of the scientific world—from biology, medicine, physics, and astronomy—can be captured and dramatized for a humanities-oriented readership.

Edited and introduced by the award-winning author of *Many Sleepless Nights*, *An Unspoken Art*, and *A View from the Divide* includes a diverse range of voices, from poets to immunologists and physicists, from established writers to up-and-coming new talent.
