Getting Health Reform Right: A Guide to Improving Performance and Equity Marc Roberts, William Hsiao, Peter Berman, Michael Reich

This book provides a multi-disciplinary framework for developing and analyzing health sector reforms, based on the authors' extensive international experience. It offers practical guidance - useful to policymakers, consultants, academics, and students alike - and stresses the need to take account of each country's economic, administrative, and political circumstances. The authors explain how to design effective government interventions in five areas - financing, payment, organization, regulation, and behavior - to improve the performance and equity of health systems around the world.
