Mermaids Most Amazing

Oliver Narelle

Mermaids Most Amazing Oliver Narelle

"For as long as anyone can remember, mermaids have swum through our stories and splashed through our dreams. . . ." Where did these mythical creatures come from? What if they were real?

Mermaids Most Amazing provides a comprehensive introduction to these beloved creatures, rendered in beautifully evocative, folk art-style collages and illustrations. You'll meet the fish-tailed goddesses of ancient Polynesia; crafty water sprites of the Pacific Northwest; fake mermaids from British carnivals of the 1800s; and the dugong, whose human-like features and behavior have been mistaken for mermaids by sailors throughout the ages.

Including several legends perfect for reading aloud, as well as maps of the mermaid world, *Mermaids Most Amazing* is a must-read for mermaid fans of all ages. Who knows what strange (and real) creatures you just might find?
