ACID Emma Pass

**"Jenna Strong is a futuristic Jason Bourne."**--*Justine Magazine*

Fans of *Matched* and *Divergent* will be hooked by this fast-paced, nail-biting survival story, featuring an unforgettable heroine reminiscent of Katniss Everdeen and *The Girl with the Dragon Tattoo*'s Lisbeth Salander.

The year is 2113. In Jenna Strong's world, ACID—the most brutal controlling police force in history—rule supreme. No throwaway comment or whispered dissent goes unnoticed—or unpunished. And it was ACID agents who locked Jenna away for life, for a horrendous crime she struggles to remember. But Jenna's violent prison time has taught her how to survive by any means necessary. When a mysterious rebel group breaks her out, she must use her strength, speed, and skill to stay one step ahead of ACID and try to uncover the truth about what really happened on that terrible night two years ago. They've taken her life, her freedom, and her memories away from her. How can she reclaim anything when she doesn't know who to trust?

**Winner of the North East Teenage Book Award**

"Great suspense . . . excellent characters and gripping action."--**TheGuardian.com**

### From reader reviews:

#### **Timothy Rowe:**

This ACID is great e-book for you because the content which is full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it data accurately using great arrange word or we can say no rambling sentences inside it. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but hard core information with wonderful delivering sentences. Having ACID in your hand like obtaining the world in your arm, info in it is not ridiculous 1. We can say that no guide that offer you world inside ten or fifteen second right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. occupied do you still doubt this?

#### **Barbara Kimmel:**

You may spend your free time to see this book this e-book. This ACID is simple bringing you can read it in the park your car, in the beach, train and also soon. If you did not get much space to bring the actual printed book, you can buy typically the e-book. It is make you simpler to read it. You can save often the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

#### **Aaron Blue:**

Many people spending their period by playing outside along with friends, fun activity together with family or just watching TV all day every day. You can have new activity to spend your whole day by studying a book. Ugh, ya think reading a book can actually hard because you have to use the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Smartphone. Like ACID which is getting the e-book version. So , try out this book? Let's view.

#### **Robert Holt:**

This ACID is new way for you who has intense curiosity to look for some information given it relief your hunger of information. Getting deeper you into it getting knowledge more you know or else you who still having small amount of digest in reading this ACID can be the light food for you because the information inside this particular book is easy to get through anyone. These books build itself in the form which can be reachable by anyone, yes I mean in the e-book form. People who think that in e-book form make them feel tired even dizzy this book is the answer. So there is absolutely no in reading a book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss that! Just read this e-book sort for your better life along with knowledge.
