First He Made the Sun

Harriet Ziefert

First He Made the Sun Harriet Ziefert

This simple creation story, with its roots in Genesis as well as in the words of a traditional spiritual, brings to life a caring, joyful creator who makes the world in seven days. A cheerful rhyming text, listing all the marvelous new beings, makes this accessible for the youngest readers. Striking, primitive-style paintings by fine artist Todd McKie capture the drama and wonder of this timeless tale.
