Doctor Who: Shroud Of Sorrow Tommy Donbavand

23 November, 1963. It is the day after John F. Kennedy's assassination - and the faces of the dead are everywhere. PC Reg Cranfield sees his late father in the mists along Totter's Lane. Reporter Mae Callon sees her grandmother in a coffee stain on her desk. FBI Special Agent Warren Skeet finds his long-dead partner staring back at him from raindrops on a window pane. Then the faces begin to talk, and scream...and push through into our world. As the alien Shroud begins to feast on the grief of a world in mourning, can the Doctor dig deep enough into his own sorrow to save mankind? Shroud of Sorrow is read by Frances Barber, who played Madame Kovarian in the Doctor Who episodes A Good Man Goes to War and The Wedding of River Song. 6 CDs. 5 hrs 42 mins.
