Imported from Italy, this full color map features a laminated plan of the city of Genoa (Genova) at a scale of 1:15,000 and an inset map of the Historic City Center at a more detailed scale on the reverse. Streets are named directly on both maps, and there is also an alphabetized index of street names for pinpointing your exact location. The city center map locates each of the Top Twelve sights with a bright yellow label. There are color photographs to help identify the buildings when you get there and brief historical notes for three of them in English: the Palazzo Ducale, L'Acquario, La Cattedrale di San Lorenzo.
