## Malice in Memphis: Ghost Stories

The ghost stories and the characters in this book are pure fiction, even if the locations in which they were set are not. The tales, written by members of Malice in Memphis, showcase some of the Mid-South's more interesting historical locations.

The geographical locations include the Mississippi River and the areas across from Memphis, as well as several of the villages and farms that survived the onslaught of Union soldiers. They've included graveyards and battlefields, some Memphis landmarks that survive and some that don't. Memphis has been touched by wars, the Yellow Fever epidemics, the flu epidemic, floods, tornadoes, murders, and other hateful occurrences. Plenty of misery for the ghosts to feed upon. Many interesting locations to attach themselves to.

Whether you believe in the supernatural or not, we hope that you'll enjoy these eerie stories of southern supernatural doings.
