The Sparrow's Dream Steve Hodge

"The Sparrow's Dream" is a journey through the seasons of a year told in the form of haiga - visual images with accompanying haiku poems. Each of these haiga articulate the emotion or idea that was evoked in the author at the moment he encountered the images that inspired their creation. While most of the haiga photographs in this collection were inspired by nature, their haiku poems reveal a far more profound (or sometimes humorous) underlying meaning that offers the reader an enriching aesthetic experience each time the book is viewed.
