Woozie (AKA Grandmother) Wisdom (About Life, Sex, Love) Lynn Hubschman

This is a lively, fun, down to earth book. It is a compilation of essays from my blog: chaptersinlove.com. There are helpful ways to look at life, sex and love that are geared to practical applications to make life fulfilled and joyful.

My forty years as a licensed therapist, marriage counselor and sex educator are put to use for the reader's benefit.

The goal is to make this life easier, to avoid problems by learning how to live well.

While there is no easy road and no all-knowing guru, we do have some answers based on years of experience, and that is what this book offers.

You can let me know your thoughts as well, by adding comments on my blog.

Enjoy!
