Well, that depends. Does he rescue stray cats? Do his pupils widen when he looks at you? Are his thumbs especially long? Is he an only child?

Questions such as these are anything but random; the answers can help determine the true nature of the man you desire. In this provocative yet playful collection of quizzes, Todd Lyon draws upon ancient mysticism, modern psychology, common sense, and uncommon sense -- all with the goal of uncovering the secrets of your lover's soul.

Some love-divining techniques you already know about (astrology, palmistry, the Tarot); some you don't (what the contents of his refrigerator says about him). It's like having a whole library of romantic reference books magically condensed to fit in your purse. Whether the man on your mind is a distant crush or a long-term partner, you can use this book to:
