Crystal Skulls & the Enigma of Time: A Spiritual Adventure into the Mayan World of Prophecy and Discovery Patricia Mercier

Among the most mysterious of sacred objects turning up around the world are carved crystal skulls often used in Mayan rites . Patricia Mercier embarked on a quest to unlock their secrets, and has produced a spine-tingling saga of sacred ceremonies, armed holdups, inner journeys, and weirdly cosmological stacks of tortillas that spans the globe. Along the way, Patricia explains Mayan traditions, reveals the healing properties of these skulls, and details the new superconsciousness within humanity's grasp--an evolutionary rebirth possible only through these skulls.
