“Far superior . . . this uniquely capricious mystery will engage readers from the very first page to the surprising conclusion.” —*Publishers Weekly* on *Murder Is Dicey*

*Welcome to Serenity Cove, a peaceful Southern community where the residents like to play dice, play golf and, when foul play moves in, play detective.*

When it comes to gardening, Kate McCall is known for having a brown thumb, but when the Serenity Cove garden club hosts an event featuring a celebrity botanist—who’s also a former college roommate of Kate’s friend Rita—she plants herself in the audience with all the other Bunco Babes. Before the evening can even get off the ground, though, the guest speaker and her boyfriend are rushed to the hospital with food poisoning, where he eventually dies.

Convinced that her boyfriend’s death was no accident and that she too was meant to die, the famous botanist begs Kate to investigate. Glad to have a chance to use her newly acquired detective skills, Kate starts digging for clues—even when that means adding Rita to the list of suspects. And as the trail grows more tangled and treacherous, Kate realizes she’ll have to weed out the killer quick, before she’s the next thing they plant in the ground.

This book was originally published under the title *Shake, Murder and Roll*.

**About the Author:**

Friends often accuse Gail Oust of flunking retirement. While working as a nurse/vascular technologist, Gail penned nine historical romances under the pseudonym Elizabeth Turner for Avon, Pocket, Berkley, and Kensington. It wasn't until after she and her husband retired to South Carolina that inspiration struck for a mystery. Hearing the words "maybe it's a dead body" while golfing with friends fired her imagination for this series. Gail is currently writing the Spice Shop Mysteries for Minotaur/St. Martin's. When she isn't reading, writing, or sleeping, she can usually be found on the golf course or hanging out with friends.
