God Save Sex Pistols Deluxe Edition Johan Kugelberg

An enhanced edition of the original Rizzoli publication, God Save Sex Pistols offers an unseen visual history of the incendiary punk band. Published to coincide with the fortieth anniversary of the Sex Pistols' iconic first record release Anarchy in the UK, Johan Kugelberg, noted writer Jon Savage, and premiere Sex Pistols archivist Glenn Terry draw on an unprecedented wealth of material to produce the most comprehensive visual history of the band ever produced. From McLaren's handwritten letters to never-before-seen photographs of the band, Jamie Reid's iconic album artwork, and a range of ephemera from concert tickets to fanzines, this book is a definitive celebration of a group that helped define a movement.
