"I just completed the book "Half!" and found it to be very accurate as it relates to my experiences using Wes Matejka for tax savings. I chuckled at the CPA section as that was dead on. For years I was told by my CPA nothing could be done to further reduce my taxes, yet when I brought them these tools to give me feedback they said it was legitimate and would work!! I have realized substantial tax savings over the last 2 years and expect the same going forward. I wish I had met Wes years ago...." Andrew M. Florida
