Salem's Lot, Illustrated Edition Stephen King

Upon its initial publication in 1975, *Salem's Lot* was recognized as a landmark work. The novel has sold millions of copies in various editions, but it wasn't until Centipede Press published a special limited edition in 2004 that King's masterpiece was brought to brilliant and eerie life. With the addition of fifty pages of material deleted from the 1975 manuscript as well as material that has since been modified by King, an introduction by him, and two short stories related to the events of the novel, this edition represents the text as the author envisioned it. Centipede's deluxe edition, of which only 900 copies were printed, features lavishly creepy photographs by acclaimed photographer Jerry Uelsmann, printed interior endpapers, and a stunning page design.

Doubleday is proud to make this volume, printed from the original design of the Centipede Press edition, available to the general reader. No King aficionado's library will be complete without owning this definitive illustrated edition of the great *Salem's Lot*.
