## **The Hellbound Heart** Clive Barker

Clive Barker is widely acknowledged as the master of nerve-shattering horror. The Hellbound Heart is one of his best, one of the most dead-frightening stories you are likely to ever read, a story of the human heart and all the great terrors and ecstasies within. It was also the book behind the cult horror film, Hellraiser. In a quiet house on a quiet street Frank and Julia are having an affair. Not your ordinary affair. For Frank it began with his own insatiable sexual appetite, a mysterious lacquered box- and then an unhinged voyage through a netherworld of imaginable pleasures and unimaginable horror...Now Frank- or what is left of Frank -waits in an empty room. All he wants is to live as he was before. All julia can do is bring him her unfulfilled passions...and a little flesh and blood...
