Webster's Friulian - English Thesaurus Dictionary Philip M. Parker

If you are learning Friulian, this book was not created for you, and you should not purchase it. It was created for completely fluent mother-tongue speakers of Friulian who already know the full meaning of Friulian words, but who need to learn how a single English translation of a Friulian word may have ambiguous meanings in the English language. It is designed for bi-lingual education for the non-English reader who wants to improve English-language test scores covering English synonyms. Synonyms may bear no relationship to a translation word (e.g. “love” can signify both an emotion and a score of zero in tennis; zero, while being a synonym of love, is likely to be a bad translation to the original Friulian headword). This is a regular English thesaurus, like Roget’s, but the entries are sorted alphabetically using headwords from Friulian. It cannot be used to translate between the two languages, but may help a fluent speaker of Friulian who is learning basic English, to learn the ambiguities of the English language and its vocabulary. The synonyms for each headword are not translations; Friulian words are used to facilitate “looking up” English synonyms. Prior to purchase, educators and students should review the contents of this unique form of thesaurus which is free to view on Google books, or using Amazon’s “look inside” function. Public domain translations used were contributed to Webster’s Online Dictionary and have originated from uncited volunteers, native speakers, professional translators, field linguists and academics (not by the editor of the thesaurus). If you would like citation for any translations, make suggestions, note errors, or contribute in any other way, please email Philip M. Parker at INSEAD, who will periodically update this series. Reproduction rights are granted to educators.

Can you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try to pick one book that you never know the inside because don't ascertain book by its protect may doesn't work at this point is difficult job because you are frightened that the inside maybe not as fantastic as in the outside look likes. Maybe you answer might be Webster's Friulian - English Thesaurus Dictionary why because the wonderful cover that make you consider concerning the content will not disappoint you actually. The inside or content is actually fantastic as the outside or maybe cover. Your reading 6th sense will directly show you to pick up this book.

Jack Rosa:

As we know that book is important thing to add our understanding for everything. By a reserve we can know everything we want. A book is a range of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This publication Webster's Friulian - English Thesaurus Dictionary was filled about science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has diverse feel when they reading a book. If you know how big good thing about a book, you can truly feel enjoy to read a publication. In the modern era like right now, many ways to get book which you wanted.

John Lyons:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Webster's Friulian - English Thesaurus Dictionary can make you sense more interested to read.
